

Limited NERO membership form for Calendar Year 2006

I affirm that I am already a member of NERO International for the calendar year 2005. As such, I do not need to submit any additional fees to participate in a Wildlands West Onyx Hollow event.

I am purchasing a limited NERO membership from Wildlands West. I understand that, for an additional fee, I can subscribe to the full NERO International membership for the calendar year 2006. The limited membership covers participation in Wildlands West Onyx Hollow events only, as well as the "Accident Insurance while at authorized NERO LARP Events" as provided by NERO International. No other services or products are provided with this limited membership.

The full membership details are provided by NERO International at this web address:  
<http://www.nerolarp.com/Business/Membership.htm>

I affirm the above selection is true.
